

Masjid Reusable Water Bottles
 Graduating Class Scholarship Fund: 1433 AH/2012 AD
 Savings for the next generation

Financial Summary – Final Report (Aug 24, 2012)

Bottles Sold: **97**

Total Money Raised: **\$1,108.92**

Bottles sold: \$970 & Donations: \$138.92

If each reusable water bottle is used every day for **just 1 month** and it saves using 2 plastic water bottles a day then we are **saving:**

SAVINGS

Bottles

5,820

Cost of buying plastic bottles of water

\$1,940

Approximate cost of \$1500 for 1000 liters: tinyurl.com/94ij5sl

Cases

243.5

Oil Consumption costs

814.8 L

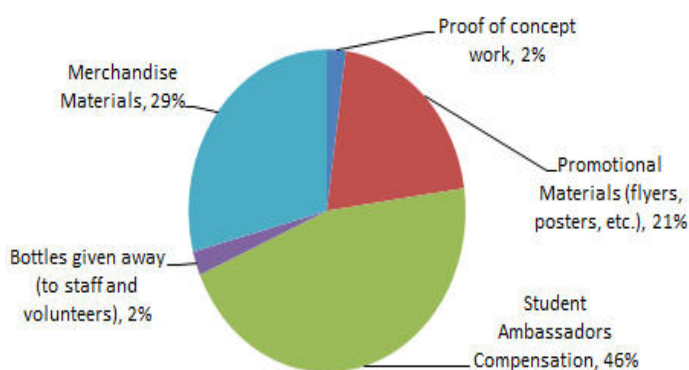

Source: tinyurl.com/8suc7f5

Less landfill waste & more savings to the Masjid because of less waste disposal costs

THANK YOU FOR YOUR SUPPORT

Cost breakdown

The entire cost of administering the program including the cost of buying the merchandise, printing the promotional materials, and compensating the student ambassadors is all paid for externally to ensure that 100% of the revenue goes towards the scholarship fund. In the end, \$1,108.92 / 7 students = **\$158.42** awarded per graduating student.

For any questions about this program please contact Brother Mohammad Ashraf or Brother Siraj Berhan or email MasjidWaterScholarshipFund@gmail.com
